### Santa Visits the Union Hall

Christmas is a time for family and friends to come together and spend quality time with each, sharing old memories and pastimes, and exchanging gifts of love with one another. However, with our busy work lives, there isn't much time for us to be able to take our children and grandchildren to those festive events where Santa likes to visit before that special day. So to help with the busy lives of our Union Membership, we got hold to our very own Mr. And Mrs. Claus to bring Christmas to our loved ones. The Union hall was not filled with hot debate and loud voices, but rather filled with laughter and smiles all around. President Bobby Keener and Jake West was even feeling the festive nature for we captured a few shots of them smiling with holiday spirit! The Union feels this was a great event for all members and we plan to do a similar event this year!

### IUE-CWA Help in Haiti

IUE-CWA has responded to the horrific event that has been brought upon to the people of Haiti. A check has been sent for \$5,000 to the American Red Cross to help with the efforts. Division President Jim Clark urges all members to contribute or donate anything they can!
